

Peak Performance!

Jan-09

PRICE LIST		
P/N	MAIN SYSTEMS	PRICE
2003-1	Internal Display System (digital display in computer box, USB download) (Software, Standard 36" Main Harness, Driver Control Box & Cable, Download Cable, Manual)	\$1,595.00
2003-5	Internal Display System (digital display in computer box, no software) (Standard 36" Main Harness, Driver Control Box & Cable, Manual)	\$1,295.00
2003-3	Remote Display System (digital display in dash, requires dash option below, USB download) (Software, Standard 36" Main Harness, Driver Control Box & Cable, Download Cable, Manual)	\$1,545.00
2003-6	Remote Display System (digital display in dash, requires dash option below, no software) (Standard 36" Main Harness, Driver Control Box & Cable, Manual)	\$1,245.00
2108	Custom Thermocouple Cable Length (per foot) (added to existing 36" main harness length)	\$15.00
2240	3 foot DB25 Extension Cable (RPM/Analog) (added to existing 36" main harness length)	\$15.00
2239	6 foot DB25 Extension Cable (RPM/Analog) (added to existing 36" main harness length)	\$15.00
DASH DISPLAY ASSEMBLIES		
2343	IH 66-Series Dash Plate (including analog tach, digital display assy, remote wiring kit)	\$645.00
2341	IH 66-Series Dash Plate (including digital tach, digital display assy, remote wiring kit)	\$675.00
2342	IH 66-Series Dash Plate (including digital display assy, remote wiring kit)	\$485.00
2344	Universal 5" x 5" Dash Plate (including digital tach, digital display assy, remote wiring kit)	\$590.00
2345	Universal 3" x 5" Dash Plate (including digital display assy, remote wiring kit)	\$400.00
inquire	Custom Made Dash Plate (custom made to your specs)	call
TACHOMETERS		
2039	Digital Tachometer (1.5" x 3") (0 - 10,000 RPM) (requires minimum 31 teeth for magnetic pickup)	\$190.00
3300	Analog Tachometer (3 3/8") (0 - 4,000 RPM) (requires minimum 1 tooth or magnet for pickup)	\$150.00
3301	Analog Tachometer (3 3/8") (0 - 6,000 RPM) (requires minimum 1 tooth or magnet for pickup)	\$160.00
3302	Analog Tachometer (3 3/8") (0 - 8,000 RPM) (requires minimum 1 tooth or magnet for pickup)	\$170.00
3305	Tachometer Mounting Cup (used with 3 3/8" analog tach)	\$35.00
SENSORS		
2201	Potentiometer (position) Sensor (4" Rotary)	\$300.00
2185	Vacuum / Pressure Transducer (1/4" NPT stainless steel, 20" lead length)	\$230.00
2032	Pressure Transducer (100 PSI) (1/4" NPT stainless steel, 20" lead length)	\$165.00
2033	Pressure Transducer (250 PSI) (1/4" NPT stainless steel, 20" lead length)	\$165.00
2034	Pressure Transducer (500 PSI) (1/4" NPT stainless steel, 20" lead length)	\$165.00
2035	Pressure Transducer (1,000 PSI) (1/4" NPT stainless steel, 20" lead length)	\$165.00
3321	Piston Snubber Valve (one required with each pressure transducer) OIL	\$25.00
3322	Piston Snubber Valve (one required with each pressure transducer) FUEL / WATER	\$25.00
3323	Piston Snubber Valve (one required with each pressure transducer) AIR / GAS	\$25.00
2038	RPM Magnetic Pickup (5/8" x 18 x 2")	\$70.00
2327	RPM Magnetic Pickup (5/8" x 18 x 4")	\$70.00
2212	RPM Spark Ignition Adapter (used with msd or mag ignition)	\$70.00
2231	RPM Hall Effect Pickup (requires magnet)	\$55.00
2331	RPM John Deere Adapter (used with JD RE519144 sensor)	\$35.00
2229	Threaded Magnet (used with RPM hall effect pickup)	\$13.00
2352	Non-Threaded Magnet with Adhesive (used with RPM hall effect pickup)	\$16.00
2044-36	Thermocouple (3/16" x 5" heavy duty 2200 deg F, 36" lead length, w/compression fitting)	\$70.00
2044-60	Thermocouple (3/16" x 5" heavy duty 2200 deg F, 60" lead length, w/compression fitting)	\$75.00
2037-48	Thermocouple (1/8" x 5" fast response 1650 deg F, 48" lead length, w/compression fitting)	\$70.00
2037-72	Thermocouple (1/8" x 5" fast response 1650 deg F, 72" lead length, w/compression fitting)	\$80.00
2051	Temperature Sensor (1/4" NPT, liquid temps, 36" lead length)	\$70.00
2183	Battery Voltage Converter (0 to 30V)	\$70.00
MISC ACCESSORIES		
2306	IH 66 Series RPM Magnetic Pickup Bracket Kit (flywheel housing)	\$135.00
2399	USB to Serial Port Adapter	\$60.00
3311	4 Port Aluminum Junction Block (pressure transducer mounting)	\$41.00
3312	6 Port Aluminum Junction Block (pressure transducer mounting)	\$43.00
3313	8 Port Aluminum Junction Block (pressure transducer mounting)	\$45.00
2202	DB9 Cable Extension (1 foot)	\$10.00
2125	DB9 Cable Extension (3 foot)	\$12.00
2040	DB9 Cable Extension (6 foot)	\$15.00
2150	DB9 Cable Extension (10 foot)	\$15.00

PRICE LIST		
REPLACEMENT ITEMS		
2113	Replacement Standard Main Harness (remote display)	\$370.00
2106	Replacement Standard Main Harness (internal display)	\$300.00
2330	Steel Flanged Cover (thermocouple connector junction panel)	\$35.00
2111	Driver Control Box	\$27.00
2046	Compression Fitting Adapter & Seal (3/16" thermocouple)	\$15.00
2050	Compression Fitting Adapter & Seal (1/8" thermocouple)	\$15.00
2182	Datalog Owners Manual	\$10.00
2147	Female DB9 Connector Dust Cover (used with each vacant analog, RPM, & download port)	\$1.50
2178	Thermocouple Plug Dust Cap (used with each unused thermocouple port)	\$1.00
SOFTWARE		
2200	Version 3 Software & License (CD)	\$300.00
2200-U	Version 3 Software & License (CD) (update from previous version 2 software)	\$250.00
2200-R	Replacement Software CD	\$15.00
MISC ITEMS		
2319	Digital Pyrometer (high temp recall) (not used with Datalog system, requires one thermocouple)	\$120.00
RPM SLED BOX & ACCESSORIES		
2347	RPM Sled Box Kit (Computer Box, Harness & Plug, Download Cable, Software, Instruction Sheet)	\$900.00
2238	Relay Module (used with RPM Sled Box to energize RPM alarm or light)	\$75.00
3316	RPM Sensor / Wire / Plug Kit (used on tractor to be plugged into RPM Sled Box)	\$110.00
